Member countries
selecting awardees
annually

€2,000

Travel Support
per recipient

1-2

Months Abroad

Who can apply?

- ✓ Be at least two years post-PhD
- ✓ Be a member of a participating Chemistry Europe society
- ✓ Be planning a formative stay in a research institution outside your country of residence

Why should you apply?

- Increase** your visibility and connect, present and lead on the world stage
- Connect** with the Chemistry Europe Community by visiting laboratories at the forefront of scientific research
- Enhance** your career and start networking with scientists all over the world

Grant details

- Compatible with other funding**
The grant can be combined with any other financing obtained to support your stay
- 12 months to use the award**
The grant can be used for a period of 12 months after the date of the award

"The Grant is a wonderfully straight-forward funding opportunity to create lasting connections within and beyond one's research community worldwide."

- Katharina Ehrmann, GÖCH, March 2026

How to apply

1. Prepare a your **CV**, a **motivation letter**, and a list of your **five key publications**.
2. Apply through your **National Chemistry Europe society**.
(Please check with your society for submission instructions.)

APPLICATIONS ARE OPEN UNTIL

October 15, 2026

This award recognizes the collaboration between young, talented researchers and leading principal investigators in the European scientific community
